

# People who love to bead, love to cook!

*Please join me in my kitchen for health-, flavor-, and friendship-inspired cooking classes.*

I've been a personal chef and cooking teacher since 1996. My weekend cooking classes are great for people who love to eat well, but are out of ideas for dinner, or who want to learn more about unusual ingredients like swiss chard, or tofu. Or maybe you'd just like to spend time with your best friends, and enjoy a great meal. All levels of experience are welcome! It's not hard when I demonstrate, then you do it yourself. Classes are hands-on, and last about 3 to 3-1/2 hours. There's room for 4 or 5 people around my cooktop, so the group is small. Get 3 or 4 of your friends together, or make new ones in class. Do something different this weekend - learn to cook like Lizz!

Costs for 4 students: \$62.50 each, 5 students: \$50.00 each. Class starts whenever you'd like!  
I'm located 25 min. south of downtown Milwaukee, where Hwys. K and 38 intersect, Franksville.  
Please call me with questions or to reserve your space at 262-770-0251. --Lizz Fabel

*Here's a shot of a friendly group I like to call "5 Ladies, 5 Bottles of Wine". They had a great time, as you can see. Bring your own festive beverages to make the class special!*

*Homemade marshmallows, toasted and served with balsamic glaze. The tartness of the vinegar contrasts with the sweetness of the marshmallow. We use my two favorite tools for this dish; the pastry bag and the blowtorch!*

*Lemon phyllo cups are delicious for dessert. They're made with layers of buttered phyllo dough, formed into muffin tins, and baked, then filled with sugary-tart lemon filling. Decadent!*

*Kids love to cook, too! Especially when we bake our own bread. I have a special easy recipe that anyone can do. Amazing!*

**So when's the next class?** Since it's in my kitchen, it's any weekend you'd like! Just give me a call to schedule your class, and we'll talk about what you'd like to cook, too. **Call me at 262-770-0251 today!**

Thanks to Amanda at **Funky Hannah's Beads and Art** for letting me hitch a ride on her website! Be sure to say hi for me, when you're in Funky's. Happy Beading!
